Accident Insurance

Accident insurance INAIL

The insurance covers all students during their study course. The insurance coverage is not only valid in Italy, but it can also be applied abroad. The insurance pays only by remaining damages of 6% of invalidity.

Third party liability insurance

The third party liability insurance of the Free University of Bozen-Bolzano is applicable to all students. The coverage range is worldwide with the exception of the USA and Canada. When traveling to the USA or Canada a private travel insurance can be stipulated. The Administrative Head Office should be contacted for the insurance application.
