Last name:	Topolowskij
First name:	Andreij
Name of previous degree course:	Bachelor in Computer Science
University awarding the study title:	Gotham City University
Enrolment date to previous degree course:	15-Oct-06
Legal duration of the previous degree cours	3 years
Minimum credits or hours required for graduation:	90

List of passed exams:

Name of course in original language	Name of course in English translation	University at which exam was taken	Grade obtained at exam	Number of credits in your own	Total amount of lecture hours	Total amount of exercise / lab hours	Study Plan Year (for instance 1,	Exam da (for inst 10.07.06

Credit system - Equivalence in ECTS or hours
1 credit = 2 ECTS

Comments
I will start my Thesis internship in the 2nd semester of the Academic Year 2007/2008. In my local credit system, 1 credit corresponds to 12 lecture hours + 6 lab hours + 30 independent study hours.
