

Bachelor in

Sustainable Agriculture and Forestry in Mountain Environments

2025/26

At a glance

Bachelor class: L-25
ECTS credits: 180
Duration of the course: 3 years
Courses will be taught in: Italian,
German and English (trilingual)
Places available: 70 EU + 4 non-EU
Campus: Bozen-Bolzano
Tuition fees: ca. € 1200 per year

Course description

We train specialists in the **sustainable management of agricultural and forestry systems in mountain areas**. The curriculum combines **scientific, technological and economic subjects** to provide a broad interdisciplinary education.

Two tracks allow students to specialise:

- **Sustainable agricultural production:** in-depth study of topics such as fruit growing and viticulture, livestock breeding and husbandry, arable farming, sustainable pest management and irrigation techniques.
- **Mountain forest management:** focus on forest ecology, forest management, protection of mountain ecosystems, hydrology and water management measures for the protection of the territory.

Students take part in **lectures, practical exercises and fieldwork** to acquire skills for current issues, all in South Tyrol, a region where sustainability has always been a guiding principle of forestry and agricultural activities.

The strong focus on environmental protection and sustainable use of resources makes this course unique and meets the needs of a changing labour market that increasingly demands in-depth knowledge in these areas.

Structure of the course

The three-year course begins with two years of joint basic studies, focusing **in the first year** on fundamentals such as mathematics, chemistry, physics, biology, agricultural genetics and the principles of ecology and economics.

In the second year, students deepen their knowledge in applied courses such as livestock farming and breeding, dendrology, agricultural and forest microbiology, marketing, and agricultural and forestry technology.

In the third year, students can choose between two tracks:

- **Sustainable agricultural production:** with emphasis on fruit growing and viticulture, livestock breeding and husbandry, arable farming, and sustainable plant protection and irrigation techniques.
- **Mountain forest management:** which addresses forest management, forest ecology and the protection of mountain ecosystems.

Students can customise their study plan by choosing 15 ECTS credits in elective subjects.

The mandatory internship allows students to apply their theoretical knowledge in a practical setting, while the experimental thesis promotes research skills and turns graduates into active players in the agriculture, forestry and mountain environment management sectors.

Study plan - Bachelor in Agricultural, Food and Mountain Environmental Sciences

1st Year

- 9 CP Mathematics and Applied Statistics
- 8 CP Fundamentals of Chemistry
- 0 CP Plant and Animal Biology
 - 6 CP Botany
 - 6 CP Anatomy, Physiology and Animal Genetics
- 6 CP Fundamentals of Physics
- 3 CP Applied Informatics
- 6 CP Plant Genetics
- 6 CP Agribusiness Administration and Finance
- 6 CP Agricultural Ecology and Principles of Plant Production

2nd Year

- 6 CP Principles of Tree Cultivation
- 6 CP Agricultural Machinery
- 6 CP Soil Chemistry and Fertility
- 12 CP Agricultural Economics, Policy and Law
 - 6 CP Agricultural Economics and Policy
 - 6 CP Agricultural, Environmental and Food Law
- 12 CP Entomology and Phytopathology
 - 6 CP Entomology
 - 6 CP Phytopathology
- 6 CP Biochemistry and Physiology of Agricultural Plants
- 15 CP Microbiology and Agro-industries
 - 9 CP Biology of Micro-organisms and Agricultural Microbiology
 - 6 CP Agro-industries

3rd year

- 5 CP Internship
- 5 CP Final Exam

Path 1: Agricultural Production*

- 6 CP Rural Appraisal
- 9 CP Hydrology and Hydraulics

- 6 CP Plant Protection
- 12 CP Animal Breeding and Grassland Management
 - 6 CP Animal Breeding and Animal Husbandry
 - 6 CP Grassland Management and Arable Crop Production
- 6 CP Fruit Production
- 12 CP Free choice courses**

Path 2: Management of the Mountain Environment*

- 6 CP Rural Appraisal
- 9 CP Hydrology and Hydraulics
- 6 CP Structure and Function of Mountain Ecosystems
- 12 CP Forestry and Forest Ecology
 - 6 CP Forestry
 - 6 CP Forest Ecology
- 6 CP Environmental Geomatics and Remote Sensing
- 12 CP Free choice courses**

Path 3: Food Sciences*

- 6 CP Rural Appraisal
- 9 CP Food Microbiology
- 6 CP Protection of the Stored Products
- 12 CP Food Technologies
 - 6 CP Unit Operations in Food Engineering
 - 6 CP Machines, Plants and Logistics of the Agro-Food Industries
- 6 CP Analytical Chemistry
- 12 CP Free choice courses**

*** Study paths**

During the 3rd year of studies students have to choose between one of the following paths.

**** Free choice courses**

Students can choose free choice courses both internally as well as externally.

Exchange programmes and internships

Currently we offer exchange programmes with partner universities all over the world. You will also need to undertake a **compulsory internship** lasting a minimum of 150 hours. You can choose where to carry out your internship from the long list of Italian and foreign businesses we are partnered with.

Career opportunities

Our graduates can work in agricultural production and livestock breeding, as well as in the professional management of forests and grassland in mountain regions. Furthermore, they can work in the economic and technical management and consulting of agricultural enterprises, in forest management, in soil protection and the maintenance of mountain areas, in the administration and safeguarding of agricultural machinery, in quality certification, in marketing and in the distribution of agricultural and forestry products.

In addition, graduates can continue their studies with a master in agriculture or forestry. The course prepares students to sit the **State Examination** to gain access to the **National Register of Chartered Agronomists and Foresters (Section B)**. The trilingual degree also opens international career opportunities.

Well prepared and ready for the job market. On the website of AlmaLaurea you can check statistical data about graduates' satisfaction and their employability.

Bachelor in Sustainable Agriculture and Forestry in Mountain Environments

2025/26

Application and Admission

You can find all you need to know in order to apply and gain admission to this study programme by browsing through the information below.

Deadlines and important dates

Early Bird Application

Application: 03/03 - 06/05/2025 (by noon local time)

Language exams (online): 17/03/2025 (registration: 03 - 09/03/2025) and 16 - 17 and 22 - 23/04/2025 (registration: 24/03 - 08/04/2025)

Publication of ranking lists: by 27/05/2025

Payment of the 1st instalment of the tuition fees: by 05/06/2025 (by noon local time)

Enrolment: from 11/07 - 05/08/2025 (by noon local time)

Late Application (only for EU citizens)

Application: 28/05 - 09/07/2025 (by noon local time)

Language exams (online): 23 - 27/06/2025 (registration: 28/05 - 15/06/2025)

Publication of ranking lists: by 29/07/2025

Payment of the 1st instalment of the tuition fees: by 05/08/2025 (by noon local time)

Enrolment: from publication of the ranking list until 05/08/2025 (by noon local time)

Additional Application Session (only for EU citizens)

The faculty can open additional application sessions for single study programmes in August and in September if there are available places. More information on additional sessions will be published in due course.

Preparatory courses and Freshers Days

Intensive language courses: 01 - 19/09/2025 (Monday to Friday, 6 h/day)

Mathematics pre-course: 22/09 - 03/10/2025

Freshers Days: 29 - 30/09/2025

1st semester

Classes: 29/09 - 23/12/2025

Exams (extraordinary session): 11 - 23/12/2025

Holidays: 24/12/2025 - 06/01/2026

Classes: 07 - 24/01/2026
Exams: 26/01 - 21/02/2026

2nd semester

Classes: 02/03 - 02/04/2026
Holidays: 03 - 06/04/2026
Classes: 07/04 - 13/06/2026
Exams (extraordinary session): 14 - 23/05/2026
Exams: 15/06 - 11/07/2026

Autumn session

Exams: 24/08 - 26/09/2026

Available places

EU citizens and citizens given parity of treatment
Early Bird Application: 50
Late Application: 20

Non-EU citizens (living abroad)
Early Bird Application: 4

The programme will only be offered if a minimum of 25 newly enrolled students is reached.

Entry requirements

To gain admission to the programme you need one of the following qualifications:

- a secondary school leaving certificate (Italian system)
- equivalent qualification obtained abroad.

Foreign school leaving certificates are considered equivalent if obtained after 12 years of education. In this case, you furthermore must have attended at least the last two years in the foreign school system (e.g. Irish Leaving Certificate: it is not enough to attend one year and obtain the foreign certificate).

The Italian Ministry of Education, University and Research has set specific admission requirements for holders of certain certificates (e.g. American high school diplomas, British and Greek certificates). For more information: apply@unibz.it (Advisory Service).

To be admitted, you must fulfil the language requirements indicated in the section "Language requirements".

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., L-18/L-18 and must differ for at least 2/3 of the course contents).

Language requirements

The official teaching languages are German, Italian and English. Therefore, the following language requirements apply, otherwise you will be excluded from the admission procedure:

Entry level (to gain admission)

1st language: B2

2nd language: B2

3rd language: no level required

A B1 level in the third language is the minimum requirement for taking curricular examinations in that specific language.

Please note that if the first semester of your study programme is only taught in English and your third language is English, you will have to certify at least a B1 level in English by mid-January to be able to take all the curricular exams scheduled for the first semester.

Exit level (to graduate)

1st language: C1

2nd language: C1

3rd language: B2

The levels of the Common European Framework of Reference apply.

Your first language is the language in which you have the highest level of proficiency (B2 or C1). Your third language is instead the language in which you are weaker (or in which you are an absolute beginner).

You can demonstrate your language proficiency (in the section “upload language certificates” and/or “enrol for language exams”) after you have created an application in the section “create/manage applications”. The certification is mandatory for the first and second language, for the third language it is recommended (from B1 onwards).

- In case your final certificate has been awarded by an **Italian** public institution, you need to submit a self-declaration.
- In case your final certificate has been awarded by a **foreign** public institution, you need to upload diploma scanned copy of the original.

You can demonstrate language proficiency through:

1. **the main teaching language in your final high school year** if German, Italian or English (recognised as C1) (Latin upper secondary schools: recognised as B2 in German and Italian). **Foreign qualifications:** If the main teaching language is not clearly stated on your high school diploma, please also upload a letter/document issued by your high school stating the medium of instruction.
2. **a bachelor or master degree** in Italian, German or English (recognised as C1). unibz graduates must upload the language certificates obtained and/or declare that they have passed language exams at the unibz Language Centre (B2, B2+ or C1). **Foreign qualifications:** If the teaching language is not clearly stated on your University degree, please also upload a letter/document issued by your University stating the medium of instruction during your studies.
3. **a recognised language certificate** (see the list of recognised certificates) If you cannot upload the certificates, you can send them by e-mail as PDF files or deliver them in person to the Language Centre by the application deadline (see “Deadlines” section).
4. **language exams organised by the unibz Language Centre.** You can register for these exams online through the application portal (in the section “enrol for language exams”)

after you have filled out your application in the section “create/manage applications”. The registration periods are indicated in the “Deadlines” section. If you start your application outside a language exams registration period, you must return to the portal during one of the periods indicated above in order to register for an exam. Information regarding the structure of the language proficiency exams, their duration, their administration, and typical processing time for the publication of the results can be found on the following webpage.

Please note that you can only register for **B2 level exams**.

For information on studying in three languages also visit the following page.

Secondary schools in a foreign country/Bi- or multilingual schools

If the foreign language proficiency levels (for German, Italian, or English) are explicitly indicated on the diploma of graduation according to the Common European Framework of Reference (i.e., B1, B2 or C1), and if all four language abilities (reading, listening, speaking, writing) have been assessed, then the indicated levels will be accepted as a proof of proficiency for the second and/or third language.

Please upload your school leaving certificate to the application portal in the section “upload language certificates” under the respective language. The Language Centre will decide on its recognition.

Third language/Intensive language courses in September

If you have already acquired a language certificate in the third teaching language, please upload it to the portal. If you are not able to certify your language competence in the third language and you are admitted to unibz, you will have to take a placement test. You will receive further information about the test by e-mail. Based on the result of the placement test, you will be assigned to a certain learning path so that you will be able to reach level B2 as soon as possible.

If you are an absolute beginner in the third language, or if you have a level below B2, you may attend a three-week intensive language course during the pre-semester session in September in order to start the learning path.

The dates of the extensive courses are indicated in the “Deadlines” section. Beginner courses (A1) will be offered exclusively during the pre-semester intensive course session in September will no longer be offered during the academic year. Therefore, absolute beginners should start their learning path for the third language by attending the intensive courses in September.

There will be extensive courses (4 hours per week) during the semesters and intensive courses (6 hours per day) during the time between semesters.

The language courses offered by the Language Centre are **free of charge** and aim to help the students reach the following target levels in the third language:

- B1 level by the end of the 1st year;
- B2 level by the end of the 2nd year.

Online application

Your application must be submitted online through the Application Portal. The deadlines are indicated in the “Deadlines” section.

- You need to create an account and upload a valid ID card or passport (front/back). Please note: if your document is invalid, incomplete or unreadable, you will be excluded from the admission procedure;
- Fill in the online form and upload the attachments listed under “Admission procedure”;
- If you gained your qualification abroad, you must also upload the diploma of your qualification: if you are not yet in possession of the diploma, you’ll need to upload it upon enrolment;
- Complete and submit the online application by the deadline. Once the application has been sent, it cannot be modified. Filled-in forms which have not been sent correctly will not be taken into consideration.

Please note: Mendacious declarations will be criminally prosecuted and will result in the automatic exclusion from the ranking list.

EU-Citizens and equivalent

You might apply for more than one study programme. If you are excluded in the first session, you might apply again in the second one.

Considered as equivalent are:

1. Citizens from Norway, Iceland, Liechtenstein, Switzerland, San Marino and the Vatican City State;
2. Non-EU citizens with a valid permit to stay in Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: “**permesso di soggiorno**” (residence permit) for work, family reasons, political or humanitarian asylum, religious reasons). In this case, you apply directly to the University as described above and must submit a copy of your valid permit to stay. A permit to stay for study reasons or a visa for tourism is **not** sufficient. If the permit has expired, you must attach a renewal request.

Please note that if you do not upload the permit in the application portal, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities in your country of origin.

Non-EU-Citizens (living outside of Italy)

Only one application period is offered. After the deadline it is not possible to apply anymore. Application fee: € 50. The fee is an administration fee and is non-refundable.

Once the ranking list has been published, if you have gained admission, secure it by paying the first instalment and then start your visa application on the University portal. The application on University is mandatory, otherwise you will not be allowed to enrol. On University you can apply for one study programme only.

Admission procedure

In addition to language skills and the other requirements mentioned above, the selection procedure is based on the following criteria.

Candidates can obtain a maximum of 15 points:

- up to 5 points for the average of the grades obtained in the third-last and penultimate year of upper secondary school. Grades in behaviour, religion and physical education will not be taken into account.
- up to 5 points for the average of the mathematics grades
- up to 5 points for the average of biology, physics and chemistry grades

The evaluation procedure is based exclusively on the documents submitted by the candidate when submitting the application via the relevant portal. The documentation relating to the school curriculum may be submitted in one of the languages in which the course is taught.

In the application portal, you shall:

- enter, by means of self-certification, the final grades obtained in the subjects of the third last and penultimate year of secondary school. Warning: False declarations will be punished by law and will result in exclusion from the admission ranking. Those who have completed the relevant years abroad must upload a copy of the relevant report cards* to the portal;
- upload, if necessary, the official translation of the report cards into Italian, German or English;

(*). In the event that the prospective student fails to indicate the final grades of the third-last and penultimate year of upper secondary school, the Commission will assign a final grade equal to the pass mark to the school year for which the prospective student has not produced any certification.

(*). In the case of candidates from schools whose system differs from the Italian one and who do not have report cards for the third last and/or penultimate year of high school, the Commission reserves the right to evaluate any high school report cards provided by the candidate for school years other than the penultimate and third last.

The commission will only consider the documents uploaded to the portal by the application deadline. Candidates must upload the required documents to the admission portal, under penalty of automatic exclusion from the process.

Rankings

The ranking is determined based on the score obtained in the evaluation. In the event of a tie, priority is given to the youngest candidate. The rankings are published at this page and are valid only for the academic year for which they were drawn up.

Additional educational requirements

For this programme an adequate initial preparation in mathematics, physics, chemistry and biology is required. Initial preparation is verified through school records. If the commission deems the initial preparation to be incomplete, it may assign training obligations (OFA) to be fulfilled in the first year of the programme.

To be admitted to the course without being assigned OFA, a minimum grade point average of 3 must be achieved in mathematics and a minimum grade point average of 3 must be achieved in biology, physics and chemistry:

- students who obtain 3 points or less for the evaluation of the average grade in mathematics are assigned additional training obligations in Mathematics.
- students who obtain 3 points or less for the evaluation of the average grade in biology, physics and chemistry are assigned additional training obligations in Chemistry.

The additional learning requirements are fulfilled by passing a specific exam. Additional courses are offered to review basic concepts in mathematics and/or chemistry. Students who do not fulfil the additional learning requirements within the first year can enrol in the second year of study, but will not be able to take exams in the second and third years of study.

Secure your admission and enrolment

If you have been admitted to more than one study programme, you can secure your admission for a maximum of 2 programmes by paying the designated rate twice.

1. Choose the study programme and pay the fees (to secure your admission) in the application portal.

The deadlines are indicated in the “Deadlines” section.

If you do not meet this deadline, you will automatically be excluded and the next applicant in the ranking list will be admitted.

For EU citizens and citizens given parity of treatment only: any remaining places of the early bird application, will be offered in the late application.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment. If you have secured your admission, there will be no refund of the tuition fees unless you do not pass your secondary school final exam or, in the event of non-EU applicants living abroad, you do not receive the documents necessary for enrolment from the Italian authorities in your country.

2. Enrol online in the application portal.

The deadlines are indicated in the “Deadlines” section.

Enrolment is recommended as early as possible, so you have the possibility to upload incomplete documents before the deadline.

If you do not meet the enrolment deadline, you will be excluded and the next applicant in the ranking list will be admitted.

Students intending to transfer from another Italian University to unibz have to submit to the Student Office - at the beginning of the academic year - a copy of the transfer application presented at the university of provenance.

3. If you have a foreign secondary school qualification, during enrollment you need to upload these documents:

- your secondary school diploma
- an official translation of the diploma into Italian (not necessary for diplomas issued in German or English)

Depending on the foreign education system your qualification belongs to, you must also upload:

a) EU countries, Switzerland, Norway, Iceland, Liechtenstein, International Baccalaureate, European Baccalaureate:

- Statement of **Correspondence** of your secondary school diploma, to be downloaded from the ARDI – Automatic Recognition Database – Italy

b) non-EU countries that are signatories to the Lisbon Convention:

- Statement of **Correspondence** of your secondary school diploma, to be downloaded from the ARDI – Automatic Recognition Database – Italy
- Statement of **Verification** of your secondary school diploma, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA)

c) non-EU countries that are not signatories of the Lisbon Convention:

- Statement of **Comparability** of your secondary school diploma, issued by the Italian Information Centre on Academic Mobility and Equivalences (CIMEA)
- Statement of **Verification** of your secondary school diploma, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA)

unibz performs the necessary checks on your foreign qualification and in case of doubt reserves the right to request additional documents.

Please note that if you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

If you are a non-EU citizen living abroad:

Once you are eligible for admission (check the ranking lists) and have also applied on University, the Italian Authorities in your own country will issue you the entry visa for studies/university. This will allow to enrol for the study programme that you have applied for.

According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the residence permit: as soon as you arrive, get in touch with the Advisory Service and you will be given the necessary information for starting the procedure.

Once you will obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Office personally or via e-mail.

Tuition fees

Fees amount to € 1200

- **1st instalment (€ 600):** includes the revenue stamp of € 16.
- **2nd instalment (€ 600):** must be paid by March of the following year

Delayed payment of the second instalment will result in a fine being levied. If you have not paid the tuition fees, you will be unable to take exams and will not be able to transfer to other universities or other study programmes.

If you drop out of a programme, interrupt your studies or are excluded from studies, you are not entitled to reimbursement of the fees.

Exemption from the tuition fees (and the provincial tax) is granted to:

- Students with a disability recognized under article 3, paragraph 1, of Law No 104/1992, or with a disability up to or exceeding 66%: the disability certificate, issued by the health authorities, must be handed in at the beginning of the academic year.
- Foreign students who have been granted a scholarship from the Italian government.

Students who benefit from a scholarship granted by the Autonomous Province of Bozen-Bolzano are entitled to receive a refund of the tuition fees.

Recognition of credit points from previous studies

Credit points from previous university studies can only be recognised after enrolment if the exams taken at the university of provenance are equivalent in content to those offered at unibz. You can fill out the application after enrolment.

The Advisory Service provides support regarding your choice of study. In many cases a simple call or a short request is enough to get the relevant information (Tel. +39 0471 012100).
