Course description

In this master programme, you will learn that **linguistics** represents a set of knowledge that can be applied to a wide range of professional and research situations.

Studying languages first means learning how they work through the theories and methods of linguistics. However, knowing about linguistics is not enough to fully understand the role of a language in human communication. On the one hand, in fact, it is necessary to know how to "read" the **social and cultural context** in which languages are used, while on the other hand knowing the digital tools provided by **modern language technologies** is necessary as well.

At the end of your studies, you will be able to apply your knowledge to document, describe and analyse **languages and dialects** in very different social and cultural contexts. You will also be able to use and create language resources for professional and research purposes.

Course structure

The study plan includes a first common part that allows you to combine three complementary disciplines: linguistics, computer science and statistics, and social-anthropological subjects.

The programme then divides into two paths that allow a greater specialisation. In the curriculum "Language policies and promotion of languages" you will learn more about the acquisition of language and the **rights and protection of minorities**, while in the curriculum "Automatic language analysis" you will be able to further develop your **computational and technological skills**.

Language diversity is not only the subject of study, but is an intrinsic part of the student and academic life at unibz. Our courses are held in three languages (Italian, English and German) to effectively stimulate communication between students and lecturers in an international multilingual and cultural environment. The lessons will take place both at the Bozen-Bolzano and at the Brixen-Bressanone campuses.

The study plan includes workshops, field study experiences, case studies, guest lectures and seminars with the aim of refining the skills of analysis of linguistic and sociolinguistic phenomena.

In this case you should not pay the tuition fees to secure your admission. You will be able to submit a late enrolment request and, only if there still are available places, you can enrol by 18 December 2020.

To be admitted you must fulfil the language requirements indicated in the section “Language requirements.

Language requirements

The official teaching languages are German, Italian and English. Therefore, the following language requirements apply, otherwise you will be excluded from the admission procedure:

Entry level (to gain admission)

1st language: C1

2nd language: B2

3rd language: no level required

Exit level (to graduate)

1st language: C1

2nd language: C1

3rd language: B1

The levels of the Common European Framework of Reference apply.

Your first language is the language in which you have the highest level of proficiency (C1). Your

third language is instead the language in which you are weaker (or in which you are an absolute beginner).

You can demonstrate your language proficiency in the application portal (in the section “upload language certificates” and/or “enrol for language exams”) after you have created an application in the section “create/manage applications”. The certification is mandatory for the first and second language, for the third language it is recommended (from B1 onwards).

- In case your final certificate has been awarded by an **Italian** public institution, you need to submit a self-declaration.
- In case your final certificate has been awarded by a **foreign** public institution, you need to upload diploma scanned copy of the original.

You can demonstrate language proficiency through:

1. **the main teaching language in your final high school year** if German, Italian or English (recognised as C1) (Latin upper secondary schools: recognised as B2 in German and Italian).
2. **a bachelor or master degree** in Italian, German or English (recognised as C1). unibz graduates must upload the language certificates obtained and/or declare that they have passed language exams at the unibz Language Centre (B2, B2+ or C1)
3. **a recognised language certificate** (see the list of recognised certificates: <https://www.unibz.it/en/services/language-centre/study-in-three-languages/>) If you cannot upload the certificates, you can send them by e-mail as PDF files or deliver them in person to the Language Centre by the application deadline (see “Deadlines” section).
4. **language exams organised by the unibz Language Centre**. You can register for these exams online through the application portal (in the section “enrol for language exams”) after you have filled out your application in the section “create/manage applications”. The registration periods are indicated in the “Deadlines” section. If you start your application outside a language exams registration period, you must return to the portal during one of the periods indicated above in order to register for an exam.

Information regarding the structure of the language proficiency exams, their duration, their administration, and typical processing time for the publication of the results can be found on the following webpage: <https://www.unibz.it/en/services/language-centre/language-exams/>.

Secondary schools in a foreign country/Bi- or multilingual schools

If the foreign language proficiency levels (for German, Italian, or English) are explicitly indicated on the diploma of graduation according to the Common European Framework of Reference (i.e., B1, B2 or C1), and if all four language abilities (reading, listening, speaking, writing) have been assessed, then the indicated levels will be accepted as a proof of proficiency for the second and/or third language.

Please upload your school-leaving certificate to the application portal in the section “upload language certificates” under the respective language. The Language Centre will decide on its recognition.

Third language/Intensive language courses in September

If you have already acquired a language certificate in the third teaching language, please

upload it to the portal. If you are not able to certify your language competence in the third language and you are admitted to unibz, you will have to take a placement test. You will receive further information about the test by e-mail. Based on the result of the placement test, you will be assigned to a certain learning path so that you will be able to reach level B1 as soon as possible.

If you are an absolute beginner in the third language, or if you have a level below B1, you may attend a three-week intensive language course during the pre-semester session in September in order to start the learning path.

The dates of the extensive courses are indicated in the “Deadlines” section. Beginner courses (A1) will be offered exclusively during the pre-semester intensive course session in September will no longer be offered during the academic year. Therefore, absolute beginners should start their learning path for the third language by attending the intensive courses in September.

There will be extensive courses (4 hours per week) during the semesters and intensive courses (8 hours per week) during the time between semesters.

The language courses offered by the Language Centre are **free of charge** and aim to help the students reach the level B1 in the third language after the first study year.

Online Application

Your application must be submitted online through the Application Portal. The deadlines are indicated in the “Deadlines” section.

- You need to create an account;
- Then fill in the form online and check if the required information is complete;
- Upload the required attachments for every selected study programme in the portal and submit the application by the deadline. Once the application has been sent, it cannot be modified. Filled-in forms which have not been sent correctly will not be taken into consideration.

Please note: Mendacious declarations will be criminally prosecuted and will result in the automatic exclusion from the ranking list.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back). Please note: if your document is invalid, incomplete or unreadable, you will be excluded from the admission procedure;
- the attachments listed under “Admission procedure”.

If you gained your qualification abroad, you must also upload:

- the diploma of your qualification: if you are not yet in possession of the diploma, you can upload it upon enrolment at the very latest - until you have not uploaded your diploma, you can only gain conditional admission;
- an official translation of the qualification into Italian (not necessary for qualifications in German or English);
- the Diploma supplement, where it must be indicated: that the student has achieved at

least 180 credit points (ECTS) and that the study title gives access to a master programme.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the declaration of equivalent value of your qualification: if you are not yet in possession of the declaration, you can upload it upon enrolment at the very latest (see next paragraph);
- the valid permit to stay for Italy (only for non-EU citizens legally resident in Italy) - see below chapter "EU-citizens and equivalent" point 2.

The declaration of equivalent value (not necessary for qualifications gained in Austria or Germany, but unibz reserves the right to request it in case of doubt)

If you have a foreign qualification, you must certify that your qualification would grant you admission to a similar study programme in the country where you gained this qualification. For this reason, you must:

- apply for the "dichiarazione di valore" (declaration of equivalent value) at an Italian consulate or embassy abroad (please apply for the declaration as soon as possible since processing times might be long);
- upload the declaration upon enrolment at the very latest, together with the other relevant documents.

EU-Citizens and equivalent

You might apply for more than one study programme. If you are excluded in the first session, you might apply again in the second one.

Considered as equivalent are:

1. Citizens from Norway, Iceland, Liechtenstein, Switzerland, San Marino and the Vatican City State;
2. Non-EU citizens with a valid permit to stay in Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" (residence permit) for work, family reasons, political or humanitarian asylum, religious reasons). In this case, you apply directly to the University as described above and must submit a copy of your valid permit to stay. A permit to stay for study reasons or a visa for tourism is **not** If the permit has expired, you must attach a renewal request. **Please note** that if you do not provide the permit, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities in your country of origin.

Non-EU-Citizens (living outside of Italy)

Only one application period is offered. After the deadline it is not possible to apply anymore. Application fee: € 30.

As a non-EU citizen living abroad, you will also have to **apply at the Italian authorities** (consulate or embassy) in your country. The deadlines set by the Italian Ministry of Education, Universities and Research (<http://www.studiare-in-italia.it/studentistranieri/>) must be met. At the Italian authorities, you can apply for one study programme only. Should you not follow this procedure with the local Italian authorities, your direct online application to unibz

will be declared null and void.

Admission procedure

We would like to assure you that the admission exams will take place, but in telematic form. We will send you all the necessary information right after 9 July 2020 - the end of the registration period. However, already now we ask you to make sure that you have a computer and internet access for the days of the entrance exam. Your computer must have a camera and a microphone so that the exam commission can hear and see you.

As you know, in order to take part to the admission exam you must also meet the language requirements.

We are available to answer any questions you may have.

The admission procedure is based on the following criteria:

- evaluation of your previous university record (max. 20 points)
- interview to verify the level of your preparation to undertake the master programme (max. 80 points). The interview will be conducted in two of the three teaching languages (Italian, German, English) according to your preferences and will be held in Brixen-Bressanone (see Section “Deadlines”).

Location and time will be published on the study programme website. If you are unable to attend the interview appointment due to logistical difficulties, it is possible to organise the interview via video conference. You must provide a written and motivated request to the Faculty Secretariat at least 7 days before the date of the interview.

In the event of equal scores, the younger applicant will have priority.

Ranking lists

The Admission Committee will only evaluate the documents uploaded in the portal by the application deadline. The ranking lists with the admitted students will be published here and are only valid for the respective academic year.

Secure your admission and enrolment

If you have been admitted to more than one study programme, you can only secure your admission in one of them. Doing so you refrain from the admission to other programmes.

1. Choose the study programme and pay the fees (to secure your admission) in the application portal.

The deadlines are indicated in the “Deadlines” section.

If you do not meet this deadline, you will automatically be excluded and the next applicant in the ranking list will be admitted.

For EU citizens and citizens given parity of treatment only: any remaining places of the early bird application, will be offered in the late application.

Please note that you do not gain full student status by only paying the tuition fees. This status

will only be acquired upon enrolment. If you have secured your admission, there will be no refund of the tuition fees unless you do not pass your secondary school final exam or, in the event of non-EU applicants living abroad, you do not receive the documents necessary for enrolment from the Italian authorities in your country.

2. Enrol online in the application portal.

The deadlines are indicated in the “Deadlines” section.

Enrolment is recommended as early as possible, so you have the possibility to upload incomplete documents before the deadline.

If you do not meet the enrolment deadline, you will be excluded and the next applicant in the ranking list will be admitted.

Admission with reservation:

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list. **Advice:** If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 18 December 2020.

If you have gained your qualification abroad, you must upload (if not uploaded upon application):

- diploma of your qualification
- official translation of your diploma into Italian (translation is not necessary if it has been issued in German or English)
- the Diploma supplement, where it must be indicated: that you have achieved at least 180 credit points (ECTS) and that the study title gives access to a Master course. In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).
- the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing.

At the beginning of the academic year you must submit **the originals** of the above-mentioned documents to the Student Secretariat.

Please note that if you do not possess a valid admission qualification, you could be excluded with Rector’s decree even after enrolment.

If you are a non-EU citizen living abroad:

If you are eligible for admission (check the ranking lists), the Italian Authorities in your own country will issue you the entry visa for studies/university.

This will allow you to arrive in Italy to enrol for the study programme that you have applied for, after passing the admission procedure.

According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the residence permit: as soon as you arrive, get in touch with the Advisory Service and you will

be given the necessary information for starting the procedure.

Once you will obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Secretariat personally or via e-mail.

Students intending to transfer from another Italian University to unibz must submit to the Student Secretariat - at the beginning of the academic year - a copy of the transfer application presented at the university of provenance.

Tuition Fees

Fees amount to **€ 748.50**.

- **1st instalment (€ 448.50)***: includes the provincial tax for the right to study of € 148.50 and a revenue stamp of € 16.
- **2nd instalment (€ 300)**: must be paid by 31 March 2022.

Delayed payment of the second instalment will result in a fine being levied. If you have not paid the tuition fees, you will be unable to take exams and will not be able to transfer to other universities or other study programmes.

If you drop out of a programme, interrupt your studies or are excluded from studies, you are not entitled to reimbursement of the fees.

Exemption from the tuition fees (and the provincial tax) is granted to:

- Students with a disability recognized under article 3, paragraph 1, of Law No 104/1992, or with a disability up to or exceeding 66%: the disability certificate, issued by the health authorities, must be handed in at the beginning of the academic year.
- Foreign students who have been granted a scholarship from the Italian government.

Students who benefit from a scholarship granted by the Autonomous Province of Bozen-Bolzano are entitled to receive a refund of the tuition fees.

Recognition of credit points from previous studies

Credit points from previous university studies can only be recognised after enrolment if the exams taken at the university of provenance are equivalent in content to those offered at unibz. You can fill out the application after enrolment at your Faculty Secretariat.

The Faculty organises appointments for the preliminary evaluation (Italian and German) of previous university careers.

The Advisory Service provides support regarding your choice of study. In many cases a simple call or a short request is enough to get the relevant information (Tel. +39 0471 012100).
