Certificate of unicity of the Engineered Stomach and small Intestin (ESIN) model

We hereby certify that ProDigest (Belgium) obtained the exclusive worldwide commercial rights on the ESIN model from the Université Clermont Auvergne (UCA) (France). ProDigest and UCA co-developed the model based on a patent of the stomach model owned by UCA : WO2009087314A1.

The system is solely distributed by ProDigest, together with the related consumables. The current computer-controlled system with all the additional add-ons can be purchased exclusively at ProDigest (Belgium).

With my best regards,

Stéphanie Blanquet-Diot
