Il corso di laurea in Management del Turismo, dello Sport e degli Eventi offre agli studenti una base multidisciplinare nel management e nella scienza dell'economia con la specializzazione nell'ambito del Management del Turismo, dello Sport e degli Eventi in particolare negli ultimi tre semestri di corso.

Il corso di laurea è trilingue: le lingue d'insegnamento sono l'italiano, il tedesco e l'inglese. Le attività didattiche di tutte le discipline sono orientate agli aspetti europei ed internazionali del management del turismo, dello sport e degli eventi ed includono anche rilevanti tematiche locali o nazionali. Il corpo docente ha origine e/o esperienza

La prima metà del corso di laurea comprende corsi base e corsi avanzati in management e marketing, economia, matematica e statistica, gestione contabile-finanziaria delle aziende, diritto, lingue e comunicazione.

Nella seconda metà del corso gli studenti approfondiscono le conoscenze dei primi tre semestri con temi specifici del diritto, del management e del marketing del turismo, dello sport e degli eventi, dell'economia del turismo, dello sport e degli eventi, della sostenibilità turistica, e con aspetti specifici dell'analisi e gestione anche quantitativa dei dati e i relativi aspetti tecnologici, di media e dati peculiari del turismo, sport ed eventi.

In questa fase del corso di laurea gli studenti avranno la possibilità di scegliere tra un'offerta di corsi caratterizzanti e affini ed integrativi nel settore del turismo e/o nel settore dello sport e degli eventi, potendo così personalizzare il percorso di studi integrando i corsi secondo la loro prospettiva occupazionale.

Il programma di studi si conclude con una prova finale scritta, che per gli studenti rappresenta un'occasione per trattare in modo approfondito un tema specifico a scelta con la supervisione di un docente del corso di studi.

Der Bachelor in Tourismus-, Sport- und Eventmanagement bietet den Studierenden eine multidisziplinäre Grundlage in den Bereichen der Wirtschaft und des Managements mit einer Spezialisierung im Bereich Tourismus-, Sport- und Eventmanagement, insbesondere in den letzten drei Semestern.

Der Unterricht erfolgt in den drei Sprachen Italienisch, Deutsch und Englisch. Die Bildungsaktivitäten aller Disziplinen orientieren sich an europäischen und internationalen Themen im Bereich des Tourismusmanagements und des Sport- und Eventmanagements und umfassen auch relevante lokale oder nationale Themen.

Die erste Hälfte des Studienganges beinhaltet Einführungsveranstaltungen und weiterführende Kurse in den Bereichen Management, Marketing, Volkswirtschaftslehre, Mathematik, Statistik, Buchhaltung und Finanzmanagement von Unternehmen, Rechtswissenschaften, Sprachen und Kommunikation.

In der zweiten Hälfte des Studiengangs vertiefen die Studierenden die in den ersten drei Semestern erworbenen Kenntnisse durch spezifische Themen aus den Bereichen Recht, Management und Marketing sowie Ökonomie für Tourismus, Sport und Events sowie Nachhaltigkeit des Tourismus und durch spezifische, auch quantitative Aspekte der Analyse und des Managements von Daten sowie durch die damit verbundenen technologischen Aspekte der Medien- und Datenanalyse, die für Tourismus, Sport und Events typisch sind.

In dieser Phase des Studiums haben die Studierenden die Möglichkeit ihren individuellen Studienplan an ihre berufliche Perspektive anzupassen, indem sie aus einer Auswahl an fachtypischen und benachbarten/integrierenden Lehrveranstaltungen wählen, die den Tourismussektor und/oder den Sport- und Eventsbereich kennzeichnen.

Das Studienprogramm endet mit einer schriftlichen Abschlussarbeit, die den Studierenden die Gelegenheit bietet, unter Anleitung des betreuenden Dozenten ein spezifisches Thema ihrer Wahl zu bearbeiten.

Insegnamenti a scelta degli studenti (Free Choice)

Gli studenti devono scegliere liberamente attività formative per un totale di 12 crediti formativi universitari (CFU). Gli insegnamenti opzionali possono essere scelti nel 2° oppure nel 3° anno di studio. La Facoltà pubblica annualmente l'offerta degli insegnamenti a scelta.

Qualora lo studente voglia sostenere esami relativi a insegnamenti opzionali non contenuti in tale lista, dovrà prima ricevere l'approvazione del Consiglio di corso competente.

Wahlfächer (Free Choice)

Die Studierenden müssen Wahlfächer für insgesamt 12 Kreditpunkte (KP) wählen. Die Wahlfächer werden im 2. bzw. 3. Studienjahr gewählt. Die Fakultät veröffentlicht jährlich ein internes Angebot an Wahlfächern.

Falls Studierende Wahlfächer ablegen möchten, welche nicht in dieser Liste enthalten sind, muss dies vom zuständigen Studiengangsrat genehmigt werden.

Organizzazione della didattica

Sono previsti vari tipi di attività didattiche che, in modi diversi, conferiscono conoscenze pratiche e teoriche:

Corso:

insegnamento strutturato in regolari incontri con gli studenti e costituito da lezioni durante le quali il docente spiega il programma.

Esercitazione:

attività che accompagna il corso ed è strutturata in regolari incontri con piccoli gruppi di studenti; durante l'esercitazione viene rielaborato il programma e/o lo studente applica le nozioni apprese durante la lezione; l'esercitazione può anche consistere nell'elaborazione di un progetto sotto la sistematica supervisione del docente.

Internship – Tirocinio :

Tirocinio formativo e di orientamento: attività esterna svolta presso strutture private o della pubblica amministrazione, il cui fine è quello di realizzare un momento di alternanza tra studio e lavoro e di agevolare le scelte professionali mediante la conoscenza diretta del mondo del lavoro. Il tirocinio è disciplinato dal "Regolamento di tirocinio generale d'Ateneo".

Il carico di lavoro formativo dello studente è quantificato in 25 ore di lavoro per ogni credito formativo (CFU). La quota dell'impegno orario complessivo riservato allo studente per lo studio personale o per altre attività formative di tipo individuale è compresa tra le 13 e le 19 ore per ogni credito formativo (CFU). Il Consiglio di Facoltà delibera annualmente la quota dell'impegno orario complessivo riservata alle attività didattiche frontali.

Organisation der Lehre

Es gibt verschiedene didaktische Aktivitäten, die auf unterschiedliche Art und Weise theoretische und praktische Kenntnisse vermitteln:

Vorlesung:

In Vorlesungen wird der Lehrstoff durch den Dozenten in regelmäßig abgehaltenen Vorträgen vermittelt.

Übung:

Übungen sind Veranstaltungen, welche begleitend zu Vorlesungen stattfinden und in denen die Durcharbeitung von Lehrstoffen sowie die Vermittlung von Fertigkeiten unter Mitarbeit des Studierenden in Kleingruppen erfolgt; die Übung kann auch in der Ausarbeitung eines Projektes unter der systematischen Anleitung eines Dozenten erfolgen.

Internship - Praktikum:

Ausbildungs- und Orientierungspraktikum: externe Tätigkeit, die in einem Unternehmen oder einer öffentlichen Verwaltung durchgeführt wird, deren Zweck es ist, einen Austausch zwischen Studium und Arbeit zu schaffen und die Berufswahl durch direkte Kenntnis der Arbeitswelt zu erleichtern. Das Praktikum wird von der „Allgemeinen Praktikumsordnung der Universität“ geregelt.

Der Studienaufwand wird mit 25 Stunden pro Kreditpunkt (KP) festgesetzt. Der Zeitaufwand, der dem Studierenden für das Selbststudium und andere Formen des autonomen Lernens zur Verfügung steht, liegt zwischen 13 und 19 Stunden pro Kreditpunkt (KP). Der Fakultätsrat beschließt jährlich die Anzahl der für den Frontalunterricht vorgesehenen Stunden.

Progetti di scambio

Le attività didattiche svolte presso la Facoltà possono essere sostituite da attività svolte presso altre istituzioni formative, italiane e straniere, nell'ambito della mobilità degli studenti a livello nazionale ed internazionale, nel rispetto delle disposizioni in materia contenute nel Regolamento didattico generale della Libera Università di Bolzano.

Gli studenti del corso di laurea possono conseguire un massimo di 60 CFU al di fuori della Libera Università di Bolzano nell'ambito dei programmi di scambio studenti (LLP/Erasmus, Accordi bilaterali, Free Mover).

Austauschprogramme

Die an der Fakultät angebotenen Lehrtätigkeiten können in Übereinstimmung mit den diesbezüglichen Bestimmungen der Allgemeinen Studienordnung der Freien Universität Bozen auch durch Aktivitäten ersetzt werden, die an anderen italienischen oder ausländischen Bildungseinrichtungen, im Rahmen der nationalen oder internationalen Mobilität der Studierenden absolviert werden.

Die Studierenden des Bachelorstudienganges können maximal 60 Studienkreditpunkte außerhalb der Freien Universität Bozen im Rahmen von Austauschprogrammen (LLP/Erasmus, Bilaterale Abkommen, Free Mover) erzielen.

Modalità degli esami

Sono previsti almeno tre appelli d'esame in ogni anno accademico, fissati dal Consiglio di Facoltà. Qualora lo/la studente/ssa non superasse un esame o si ritirasse dallo svolgimento dello stesso, potrà sostenerlo nuovamente una sola volta nel corso dello stesso anno accademico.

Gli esami di profitto, disciplinati da apposito regolamento, sono costituiti da una prova scritta, che si deve svolgere nella lingua d'insegnamento ufficiale. Un'eccezione è rappresentata dagli esami di lingua, che devono essere svolti in forma sia scritta sia orale.

Qualora lo/la studente/ssa non fosse in grado di certificare la conoscenza della lingua d'insegnamento ufficiale del corso almeno a livello B1 non può sostenere tale esame.

Le attività formative possono prevedere lo svolgimento di una prova intermedia.

Nel caso di attività organizzate in moduli, possono essere organizzate prove alla fine di ogni modulo. In ogni caso è prevista una valutazione collegiale unitaria del profitto cui partecipano i docenti responsabili dei singoli moduli.

Prüfungen

Es sind mindestens drei Prüfungstermine pro akademisches Jahr vorgesehen, die jährlich vom Fakultätsrat festgelegt werden. Falls der/die Studierende eine Prüfung nicht besteht oder sich während derselben zurückzieht, kann er/sie besagte Prüfung lediglich ein weiteres Mal im Laufe desselben akademischen Jahres wiederholen.

Gemäß der entsprechenden Regelung finden die Prüfungen in schriftlicher Form statt und werden in der offiziellen Kurssprache abgehalten. Eine Ausnahme stellen die Sprachprüfungen dar, die sowohl in schriftlicher als auch in mündlicher Form stattfinden.

Können nachweisen Studierende die Kenntnis der offiziellen Unterrichtssprache des Faches mindestens auf Niveau B1 nicht, darf er/sie die entsprechende Prüfung nicht ablegen.

Die Bildungsaktivitäten können das Ablegen einer Zwischenprüfung vorsehen.

Im Falle von in Module gegliederten Tätigkeiten können am Ende jedes Moduls Teilprüfungen abgehalten werden. Zusätzlich ist eine einheitliche Kollegialbewertung vorgesehen, an der die verantwortlichen Dozenten der einzelnen Module teilnehmen.
