CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking you must:

- 1) select the degree course in the application portal and **pay with one of the indicated payment methods to confirm the study place within 18 September 2020, 12 midday.****
The first instalment of tuition fees amounts to 748,50 EUR.
- 2) from 09 September until 16 October 2020, 12 midday, enrol online** in the application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, but you do not enrol, there will be no refund of the tuition fees unless you are a non-EU applicant resident abroad and you do not receive the necessary documents from the Italian authorities in your country.

If you have been admitted to more than one study programme, you can only secure your admission in one of them. Doing so you refrain from the admission to other programmes and lose the right to move up in the other ranking lists.

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list. **Advise:** If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by December 18, 2020.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment.

If you have gained your qualification abroad, you must upload in the application portal (if not uploaded upon application):

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that you have achieved at least 180 credit points (ECTS) and
 - that the study title gives access to a Master course.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing;

Attention: If you have gained your qualification abroad and have not uploaded your diploma, you are provisionally admitted until your study title can be verified.

At the beginning of the academic year you must submit the originals of the above mentioned documents to the Student Secretariat.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.
