

General Information

The plagiarism check is a mandatory part of your final examination and needs to be done before handing in the thesis. The check generates a report that you will have to upload in the Graduation App here <https://my.scientificnet.org/student-graduation/en/#/> along with the final file of your thesis. Both files, the final thesis and the one on which the plagiarism check is run must be the same. When you upload (=hand in) your thesis you officially declare that both files are identical. A false declaration may entail sanctions and further legal consequences.

Interpretation of results:

The plagiarism program Turnitin will generate a so-called "Similarity Index". It refers to the quantity (percentage) of your text that matches with other sources. The percentage value is associated with a colour (blue, green, yellow, orange, red). Please note that the acceptability of a similarity index strongly depends on the type of thesis (e.g. experimental studies vs. thesis in law). In case of doubts and/or high similarity indexes it is recommendable to contact the supervisor and decide together with her/him if and how to revise the thesis.

Below you find a short outline of the procedure, followed by a detailed description of each step.

Outline of workflow

Anti plagiarism Check via Turnitin

What you should (not) do.

Detailed description

Follow *Step 1a* if you already have a Turnitin account associated to your unibz e-mail.

Follow *Step 1b* if you do **not** have a Turnitin account.

Step 1a: Login

Go to www.turnitin.com and access your account. Reset your password if you lost it.

The screenshot displays the Turnitin website interface. At the top right, the 'Log In' link is highlighted with a green box. A modal window titled 'Login to Turnitin' is overlaid on the page. This modal contains the following elements:

- Turnitin logo
- Form titled 'Login to Turnitin'
- Email address field: mario.rossi@unibz.it
- Password field: (Login to Turnitin) with masked characters
- Links: 'Would you like to create your user profile? [Click here.](#)' and 'Forgot your password? [Click here.](#)'
- Link: [Privacy Policy](#)
- 'Login' button (highlighted with a green box)

At the bottom of the modal, there are links for 'Privacy Pledge', 'Privacy Policy', 'Terms of Service', 'EU Data Protection Compliance', 'Copyright Protection', and 'Legal FAQs'. The footer text reads: 'Copyright © 1998 - 2017 Turnitin, LLC. All rights reserved.'

Step 2a: Enroll to the class for the thesis submission

Click the tab *Enroll to class* and insert class ID and Enrollment password which you find here: [antiplagiarism check](#).

The screenshot shows the Turnitin website interface. At the top, the Turnitin logo is on the left, and navigation tabs include 'All Classes', 'Enroll in a Class' (highlighted with a green box), 'What is Plagiarism?', and 'Citation Help'. Below the tabs, it says 'NOW VIEWING: HOME'. The main content area is titled 'About this page' and contains the text: 'To enroll a class, enter the class ID and enrollment password and click submit. If you do not have a class ID and enrollment password, contact your instructor for this information.' Below this text is a form titled 'Enroll in a class' (also highlighted with a green box). The form has two input fields: 'Class/section ID:' with a red asterisk and a masked input field containing '#####'; and 'Enrollment password:' with a red asterisk and a masked input field containing '#####'. A 'Submit' button is located at the bottom of the form.

>>> Go to Step 3

Step 1b: Create a new account

On www.turnitin.com click *Create Account* in the upper right corner.

The screenshot shows the 'Create a User Profile' page. At the top, the Turnitin logo is on the left. The page title is 'Create a User Profile'. Below the title, there is a section 'Have You Ever Used Turnitin?' with a sub-header and a paragraph of text. There are two input fields: 'Email address' and 'Password (login to Turnitin)'. A red 'X' mark is overlaid on the password field. Below the password field, there is a link 'Forgot your password? Click here.' and a section 'Create a New Account' with a sub-header and a paragraph of text. There are three radio button options: 'Student' (highlighted with a green box), 'Instructor', and 'Teaching assistant'. At the bottom, there is a 'Login' button.

Step 2b:

Insert first class ID and Enrollment password which you find in the corresponding [here](#). Fill in all the other fields and make sure you use your unibz e-mail address. Confirm by clicking *I agree – Create profile*.

Create a New Student Account

Class ID Information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

Class ID

Class enrollment password

User Information

Your first name

Your last name

Display names as

Step 3: Enter the class

Enter the class by clicking on the class name *Thesis Check 20##*.

Step 4: Submit (upload) your thesis.

Click on *Submit*.

IMPORTANT!

This submission does **NOT** substitute the official upload of the final thesis through my.scientificnet.org – Graduation! Here you just upload your thesis in order to do the mandatory plagiarism check and to obtain the corresponding plagiarism report, which needs to be uploaded along with the thesis file in my.scientificnet.org – Graduation.

Step 5: Submission details

- Select *Submit: **Single File Upload*** (not *Cut & Paste Upload*).
- Insert your first name, last name and the title of your thesis.
- Then choose the file (PDF/A) to be uploaded. The file must be the one that you will hand in/upload officially.

PLEASE NOTE:

The file that you upload to Turnitin must be the final file of your thesis that you will hand in to the faculty via my.scientificnet.org – Graduation!

File types allowed: only PDF/A, the same file that you will hand in as official thesis! Turnitin would accept other file types, but since you must submit your thesis as PDF/A file, you need to upload to Turnitin the same PDF/A file as well.

The global economy is entering an increased period of political volatility, particularly in advanced economies. In this briefing, our experts analyse the most important trends that will shape the world in 2017, discussing diverse themes such as the role of emerging trade barriers, increased importance of the circular economy, the rise of multi-lateral approaches and the expanded middle.

Global Economics and Consumers in 2017 explores the economic landscape, taking in key trends within Business Operations, Cities, Economics, Finance and Trade, Industrial, Natural Resources, Digital Consumer, Healthcare, Income and Expenditure and Population.

As consumers become more interested in purchasing green products, highly diversified corporate social responsibility policies is a necessity for businesses. Sustainability must be embedded into every aspect of the supply chain, starting with suppliers all the way to transport and disposal. Although businesses are expected to play a lead role in promoting sustainability goals, many are aware of how to build and execute the appropriate plans.

The Bank of International Settlements (BIS) called the "Vanguard Bank" for its track record after housing Thomas Water. In write to BIS in an attempt to assuage their concerns over its commitment to renewable energy in much later to the Standard (Dougherty, 2017).

Discipline or accommodation: technologies will reshape product offerings, challenge pricing models, accelerate and professionalise or sell buyers of complexity by breaking and recombining techniques, modularisation promotional campaigns, expand distribution and accessibility options and reassess marketing methods. Niche, exploratory experimentation will cross into the mainstream.

Meanwhile, growing low-cost competition on transatlantic flights has shaken up more established rivals. British Airways' owner IAG is planning to start low-cost transatlantic flights from Barcelona this year.

IAG chief executive Willie Walsh said this month that the Norwegian carrier's model had pushed the airline to look at new ways to operate.

France-Dutch group Air France-KLM is also pursuing plans for a new low-cost unit, in a project dubbed BeoJet, while German carrier Lufthansa is expanding long-haul budget flying through its Eurowings business.

Step 7: The document viewer

After clicking on the similarity index, the document viewer (Feedback Studio) pops up in a separate window:

The screenshot shows a document viewer window with a title bar containing "Test Cas" and "TITLE OF THESIS". The main content area displays a text document with several paragraphs. The first paragraph discusses the global economy and political volatility in 2017. The second paragraph introduces the topic of "Global Economies and Consumers in 2017". The third paragraph, highlighted in pink, discusses the importance of sustainability and green products. The fourth paragraph, also highlighted in pink, mentions the "Vampire Bank" and its track record. On the right side, there is a vertical sidebar with several icons, including a red icon with the number "28" and a red icon with a funnel, both of which are highlighted with a green box.

On the right-hand side, you see several blue and red coloured icons. By clicking on the red ones – here number 28 – the *Match Overview* will be shown. In contrast to this example where only one source was identified, you will have a much longer list of sources and matches.

The screenshot shows the same document viewer window, but with a "Match Overview" sidebar on the right. The sidebar has a red header with the text "Match Overview" and a close button. Below the header, the similarity index is displayed as "28%". A list of sources is shown below, with the first source highlighted in pink: "1 blog.euromonitor.com Internet Source 28%". The sidebar also contains several icons, including a red icon with the number "28" and a red icon with a funnel, both of which are highlighted with a green box.

By clicking on the small arrow > next to the single percentages, you enter the *Match breakdown*, which means all matches that correspond to the source that you selected in the Match Overview.

In the Match Breakdown, by clicking on >, you can move from one match to the next (see “Match 1 of #”).

Step 8: Download the report

In order to download the Turnitin report click on the second lowest icon on the right.

Then select *Download: Current View* (not *Digital Receipt*). The file (the report) you obtain needs to be uploaded to the my.scientificnet.org – Graduation along with the original file of your thesis.

PLEASE NOTE!

You may do the upload/check on Turnitin more than one time, but the second, third,... check may take up to 24 hours, and not just 15 minutes, since Turnitin will generate only one report every 24 hours. The closer the submission date of the thesis gets, the more important this aspect becomes.
