

## **RANKING LIST**

**Admission to the PhD in  
Advanced Systems Engineering  
(39<sup>th</sup> cycle)**

**Academic year 2023/24  
Bozen-Bolzano, 22/06/2023**

## **CONFIRMATION OF STUDY PLACE**

Applicants admitted in this ranking list must confirm the study place according to the following deadlines:

- **applicants with grant:** starting from 14 July 2023 until 27 July 2023;
- **applicants without grant:** starting from 27 July 2023 until 04 August 2023.

In order to confirm the study place, you have to **access the application portal at <https://aws.unibz.it/exup/> and pay the tuition fees** (€ 180) with one of the methods indicated in the portal **within the deadline**.

If you do not respect this deadline, you will automatically lose your study place.

If, by paying the instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant resident abroad and you do not receive the necessary documents from the Italian authorities in your country.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your study place.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

## **ENROLMENT PROCEDURE**

**Starting from 27 July 2023 until 31 October 2023, 12:00 midday (CEST)** applicants who have confirmed the study place must **enrol online** in the application portal.

If you do not respect the enrolment deadline, you will automatically lose your study place.

If you gained your qualification abroad, you must upload the following documents (if not uploaded upon application) within the deadline for enrolment:

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);

- the Diploma supplement, where it must be indicated:
  - that you have achieved at least 300 credit points (ECTS) and
  - that the qualification gives access to a PhD programme.
- In case of doubt, unibz reserves the right to request further documents (e.g. the Declaration of equivalent value).
- the Statement of comparability of your qualification, in case the Diploma supplement is missing.
- If the qualification was obtained abroad and officially recognised in Italy, please upload a copy of the recognition decree.

In the lack of one or more of the above listed documents, you are provisionally admitted until your qualification has been verified. Please note: If you have been admitted in the ranking list, but you do not possess a valid entrance qualification, you could be excluded with Rector's decree even after enrolment.

**If you are a non-EU citizen resident abroad:**

Once obtained your visa, within 8 working days of your arrival in Italy, according to Italian law, you must apply for the **residence permit**: as soon as you arrive, get in touch with the PhD Office and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Secretariat in person or via e-mail.
