*To guarantee the best assessment of your application, you might send a short description on how the requirement of 30 ECTS credits in the above-mentioned scientific sectors has been covered in your bachelor degree. If you have graduated abroad, the correspondence of credit points awarded to scientific sectors will be based on the contents of the exams passed during your previous study career.

Until your graduation, you will be admitted conditionally. You must have achieved your degree by the enrolment deadline, otherwise you will be excluded.

To be admitted you must fulfil the language requirements indicated in the section "Language requirements".

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list you must:

- 1) select the degree course in the Application portal and **pay with one of the indicated payment methods to confirm the study place within 10 September 2021, 12 midday**. The first instalment of tuition fees amounts to 448,50 EUR.
- 2) **until 15 October 2021, 12 midday, enrol online** in the Application portal.

If you do not respect the deadlines, **you will automatically lose your place** which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

If you have been admitted to more than one study programme, you can only secure your admission in one of them. Doing so you refrain from the admission to other programmes and lose the right to move up in the other ranking lists.

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list. **Advice:** If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 17 December 2021.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

If you have gained your qualification abroad, you must upload in the Application portal (if not uploaded upon application):

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that you have achieved at least 180 credit points (ECTS) and
 - that the study title gives access to a Master course.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the statement of comparability or the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing.

Please note: If you have gained your qualification abroad and have not uploaded your diploma, you are provisionally admitted until your study title can be verified.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.
