 - an Italian bachelor degree in the degree class 10 (Industrial Engineering) ex D.M. 509/1999
 - an Italian degree in another degree class (old or new system), university diploma or other foreign qualification gained abroad and recognized as suitable

In the third case mentioned above (1c), the Admissions Committee will check the requirements to determine whether the contents and courses attended are equivalent to the disciplinary fields mentioned at point (2). If you have gained a foreign qualification, the number of credit points awarded to scientific disciplinary sectors will be based on the contents of the exams passed.
4. If you do not have the necessary curricular requirements, you will not be admitted if your average grade in the bachelor (not including the final exam) is lower than 22/30 (Italian system) or 3,0 (German system)

If you have not yet graduated at the time of application: you can apply if you have acquired at least 150 ECTS credit points. Until your graduation, you will be admitted conditionally. You must have achieved your degree by the enrolment deadline, otherwise you will be excluded.

Ranking lists

The Admission Committee will only evaluate the documents uploaded in the portal by the application deadline.

The general ranking list includes all students who submitted the application for the master.

The second ranking list includes only the students who express their interest in attending the Double Degree Program with Otto von Guericke University Magdeburg (OVGU) through the application portal.

Students on the **waiting list** of the ranking for the double degree programme with Otto von Guericke University Magdeburg (OVGU) of the Early Bird Application will be inserted in the ranking list for the double degree programme of the Late Application (only for those who secured their admission; see chapter below), if there still are available places.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list you must:

- 1) select the degree course in the Application portal and **pay with one of the indicated payment methods to confirm the study place within 27 May 2022, 12 midday**. The first instalment of tuition fees amounts to 751,50 EUR.
- 2) **from 13 July until 14 October 2022, 12 midday, enrol online** in the Application portal.

If you do not respect the deadlines, **you will automatically lose your place** which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

By confirming your place, you forfeit admission to the other programmes and also forfeit the right to move up the ranking list.

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list. **Advice:** If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 16 December 2022.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

If you have gained your qualification abroad, you must upload in the Application portal (if not uploaded upon application):

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that you have achieved at least 180 credit points (ECTS) and

- that the study title gives access to a Master course.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the statement of comparability or the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing.

Please note: If you have gained your qualification abroad and have not uploaded your diploma, you are provisionally admitted until your study title can be verified.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Further information for non-EU applicants living abroad:

As a **non-EU citizen living abroad**, you will also have to **apply on the portal University** of the Italian Ministry of Universities and Research. In University you can apply for one study programme only. Should you not follow this procedure, your direct online application to unibz will be declared null and void.

According to Italian law, within 8 working days of your arrival in Italy, you must apply for the **residence permit**: as soon as you arrive, get in touch with the Advisory Service and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Secretariat personally or via e-mail.

Please note: If you have declared to be resident in Italy but have not attached to your application a copy of your **valid residence permit** for Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998) you are ranked together with the non-EU citizen resident abroad.
