ADMISSION CRITERIA

In order to gain admission candidates need:

1) one of the following admission titles:
   – a bachelor degree or an equivalent qualification according to the previous regulations obtained in Italy;
   – an equivalent qualification obtained abroad.
2) the following curricular requirements obtained through bachelor degrees, master degrees, or single subject courses:
   – at least 12 ECTS credits in Computer Science = scientific-disciplinary sectors INF/01 or ING-INF/05 in Italian universities;
   – at least 6 ECTS credits in mathematics or statistics = scientific-disciplinary sectors MAT/01 or MAT/05 or MAT/08 or SECS-S/01 or SECS-S/02 in Italian universities;
   – at least a further 12 ECTS credits in the above-mentioned areas, or in physics and mathematical physics = scientific-disciplinary sectors MAT/07 or FIS/01 or FIS/02 in Italian universities.

For candidates with a qualification obtained abroad the verification of the curricular requirements is based on the specific contents of the educational activities.

Candidates who have not yet graduated at the time of application can apply if they have acquired at least 120 credit points (ECTS). In this case they will be admitted conditionally submitting your diploma by the enrolment deadline.

To be admitted candidates must have a B2 level in English according to the Common European Framework of Reference.

The evaluation criteria are:

- the admission title is scored up to 10 points based on the grade average obtained at the time of application;
- the score awarded for the study curriculum is weighed on the basis of the ["Webometrics Ranking of World Universities"](), proceeding as follows: 3 points for universities in position from 1 to 1000 in the ranking; 2 points for universities in position from 1001 to 2000; 1 point for universities in position from 2001 to 3000 in the ranking; 0 points for universities in position from 3001 onwards;
- the possession of the curricular requirements does not give a score but is an admission prerequisite;
- the certificate of English language proficiency does not give a score but is an admission prerequisite.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

1) select the degree course in the Application portal and **pay with one of the indicated payment methods to confirm the study place within 25 May 2023, 12 (midday).** The first instalment of tuition fees amounts to € 764.00.

2) **from 12 July until 13 October 2023, 12 (midday)**, **enrol online** in the Application portal.

If you do not respect the deadlines, **you will automatically lose your place** which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list. **Advice**: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 16 December 2022.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

If you have gained your qualification abroad, you must upload in the Application portal (if not uploaded upon application):

- diploma of your qualification;

- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);

- the Diploma supplement, where it must be indicated:

    o that you have achieved at least 180 credit points (ECTS) and

    o that the study title gives access to a Master course.

Università Liedia de Bulsan

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the statement of comparability or the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing.

Please note: If you have gained your qualification abroad and have not uploaded your diploma, you are provisionally admitted until your study title can be verified.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Further information for non-EU applicants living abroad:

As a **non-EU citizen living abroad**, you will also have to **apply on the portal Universitaly** of the Italian Ministry of Universities and Research. In Universitaly you can apply for one study programme only. Should you not follow this procedure, your direct online application to unibz will be declared null and void.

Please note that preliminary admission by unibz does not guarantee obtaining a visa, the issuing of which is the exclusive responsibility of embassies and consulates. Likewise, obtaining a visa for study purposes does not confer any right to perfecting the enrolment in a study programme.

Once obtained your visa, and within 8 working days of your arrival in Italy, according to Italian law you must apply for the **residence permit**: as soon as you arrive, get in touch with the Student Support and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Secretariat personally or via e-mail.

Please note: If you have declared to be resident in Italy but have not attached to your application a copy of your **valid residence permit** for Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998) you are ranked together with the non-EU citizen resident abroad.
