Candidates who do not pass the evaluation of the curriculum vitae must pass an online interview in English in which they demonstrate their knowledge in topics such as Programming and Software Engineering.

If you graduate after the enrolment deadline: you cannot enroll and you will lose your place, which will be offered to the subsequent applicant in the ranking list. In this case you should not pay the tuition fees to secure your admission. You will be able to submit a late enrolment request and, only if there still are available places, you can enroll by 12 December 2025.

To be admitted candidates must have a B2 level in English according to the Common European Framework of Reference.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

- 1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 5 June 2025, 12 (midday). The first instalment of tuition fees amounts to € 600.00.
- 2) from 11 July until 14 October 2025, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 12 December 2025.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

ENROLMENT WITH QUALIFICATIONS GAINED ABROAD

If you have gained your qualification abroad, at enrolment you must upload in the Application portal (if not uploaded upon application):

- the degree diploma of your Bachelor;
- the official translation of your degree into Italian (translation is not necessary if the documents have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that you have achieved at least 180 credit points (ECTS) and
 - that the qualification gives access to a Master programme.

If you have gained your qualification abroad in an EU country or in Switzerland, Norway, Iceland, or Liechtenstein, at enrolment you must also upload:

Your admission will be under reservation until the above-mentioned documents are uploaded.

During enrolment, unibz verifies your foreign qualification and may request additional documents if necessary.

If the access title is deemed eligible, the reservation will be lifted. Otherwise, enrolment will not be possible and you will be excluded.

INFORMATION FOR NON-EU CITIZENS LIVING ABROAD

Non-EU citizen living abroad will also have to apply on the University portal of the Italian Ministry of Universities and Research. In University you can apply for one study programme only. Should you not follow this procedure, your direct online application to unibz will be declared null and void.

Please note that preliminary admission by unibz does not guarantee obtaining a visa, the issuing of which is the exclusive responsibility of embassies and consulates. Likewise, obtaining a visa for study purposes does not confer any right to perfecting the enrolment in a study programme.

Once you have obtained your visa, and within 8 working days of your arrival in Italy, according to Italian law you must apply for a residence permit: as soon as you arrive, get in touch with the Student Support and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Office personally or via e-mail.

Please note: If you have declared to be resident in Italy but have not attached to your application a copy of your valid residence permit for Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998) you are ranked together with the non-EU citizen resident abroad.
