*If you have graduated abroad, the correspondence of credit points awarded to scientific sectors will be based on the contents of the exams passed during your previous study career.

Until your graduation, you will be admitted conditionally. You must have achieved your degree by the enrolment deadline, otherwise you will be excluded.

To be admitted you must fulfil the language requirements indicated in the section "Language requirements".

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-70/LM-70 and must differ for at least 2/3 of the course contents).

Admission procedure:

The Admission Committee can assign up to a max. of 95 points based on the:

final bachelor grade expressed out of 30 (for applicants already graduated)

weighted grade average expressed out of 30 (for applicants not graduated yet)

The Admission Committee will assign 2 points to candidates who graduated with honors (cum laude).

Candidates who possess at least a C1 certificate in the official teaching language of the course (English) will be assigned 3 points.

Minimum score for admission is 55/95 points.

If scores are equal, applicants who have already graduated take precedence over applicants who have not graduated yet.

In the event of further equal score, the younger applicant will be given priority (art. 3 L. 127/1997).

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

- 1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 12 September 2025, 12 (midday). The first instalment of tuition fees amounts to € 600.00.
- 2) until 14 October 2025, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 12 December 2025.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.
