    o L-13 Biological sciences

    o L-32 Science and technology for the environment and nature

- In the presence of a three-year degree other than those listed above, candidates must have taken:

    o at least 20 ECTS of core subject areas (SSDs) among those listed in the Ministerial Decree of degree classes for class L-25, and

    o at least 30 ECTS of characterizing subject areas (SSDs) from among those listed in the Ministerial Decree of the degree classes for the L-25 category, relating to at least two subject areas.

- For holders of a qualification obtained abroad, ECTS to SSDs will be allocated based on the evaluation of the contents of the courses followed in the student's previous career.

- Any curricular integrations in terms of ECTS must be acquired prior to enrolment.

If you have not yet graduated at the time of application

Candidates not yet in possession of the required three-year degree may apply for pre-enrolment, but must be in possession of the qualification by the registration deadline at the latest, under penalty of exclusion from the procedure. Possession of the qualification must be certified at the time of registration.

To be admitted you must fulfil the language requirements indicated in the section "Language requirements".

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-73/LM-73 and must differ for at least 2/3 of the course contents).

Admission procedure

The Admission Committee can assign up to a max. of 95 points based on the:

- final bachelor grade expressed out of 30 (for applicants already graduated)

- weighted grade average expressed out of 30 (for applicants not graduated yet)

The Admission Committee will assign 2 points to candidates who graduated with honors (cum laude).

Candidates who possess at least a C1 certificate in the official teaching language of the course (English) will be assigned 3 points.

Minimum score for admission: 55 points.

The evaluation is carried out exclusively on the basis of the documentation produced by the candidate with the pre-application.

The ranking is determined on the basis of the score obtained in the assessment. In the event of a tied score, the candidate or applicant already in possession of the degree shall have priority in the ranking. In the event of a further equal number of points, the youngest candidate or applicant has priority.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 17 October 2025, 12 (midday). The first instalment of tuition fees amounts to € 600.00.

2) until 17 October 2025, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 12 December 2025.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.
