CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

- 1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 25 September 2026, 12 (midday). The first instalment of tuition fees amounts to € 600.00.
- 2) until 13 October 2026, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 11 December 2026.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.
