The minimum average grade required in the bachelor's degree (excluding the final exam) is 22/30 (according to the Italian grading system).

In case of foreign qualifications, the evaluation of the curricular requirements is made by the Admissions Committee that will assess the equivalence between the contents of the courses attended in previous careers and the subject areas of the programme.

Adequacy of personal preparation: to be admitted to the master programme, you must show adequate preparation. This will be checked based on previous academic results and an interview, following the rules set out in the programme's study regulation.

If you have not yet graduated at the time of application:

Until your graduation, you will be admitted conditionally. You must complete your degree by the enrolment deadline. Otherwise, you will be excluded.

The official teaching language is English. Therefore, the following language requirements apply, otherwise you will be excluded from the admission procedure: **Entry level (to gain admission) English: B2**. The levels of the Common European Framework of Reference apply.

According to national regulations, simultaneous enrolment in a maximum of two programmes is allowed. However, the two programmes must not belong to the same class, e.g., LM-30/LM-30.

Ranking lists

The Admission Committee will only evaluate the documents uploaded in the portal by the application deadline.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list, you must:

- 1) select the degree course in the Application portal and pay with one of the indicated payment methods to confirm the study place within 11 September 2026, 12 (midday). The first instalment of tuition fees amounts to € 600.00.
- 2) until 13 October 2026, 12 (midday), enrol online in the Application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1st instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant living abroad and you do not receive the documents necessary for enrolment from the Italian authorities in your country.

According to national regulations, simultaneous enrolment in a maximum of 2 programmes is possible (however, the two programmes must not belong to the same class, e.g., LM-18/LM-18 and must differ for at least 2/3 of the course activities).

If you have been admitted to more than one study programme, you can confirm your place for a maximum of 2 programmes by paying the designated fee twice.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your place which will be offered to the subsequent applicant in the ranking list.

Advice: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request and, only if there are study places still available, you can enrol by 11 December 2026.

If you have been admitted in the ranking list, but you do not possess a valid admission qualification, you can be excluded with Rector's decree even after enrolment.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

ENROLMENT WITH QUALIFICATIONS GAINED ABROAD

If you have gained your qualification abroad, at enrolment you must upload in the Application portal (if not uploaded upon application):

- the degree diploma of your Bachelor;
- the official translation of your degree into Italian (translation is not necessary if the documents have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that you have achieved at least 180 credit points (ECTS) and
 - that the qualification gives access to a Master programme.

If you have gained your qualification abroad in an EU country or in Switzerland, Norway, Iceland, or Liechtenstein, at enrolment you must also upload:

- the Statement of Correspondence of your Bachelor degree, to be downloaded from the ARDI - Automatic Recognition Database – Italy.

If you have gained your qualification abroad in a non-EU country that is signatory to the Lisbon Convention, at enrolment you must also upload:

- the Statement of Correspondence of your Bachelor degree, to be downloaded from the ARDI - Automatic Recognition Database – Italy
- the Statement of Verification of your Bachelor degree, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA).

If you have gained your qualification abroad in a non-EU country that is not signatory to the Lisbon Convention, at enrolment you must also upload:

- the Statement of Comparability of your Bachelor degree, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA)
- the Statement of Verification of your Bachelor degree, issued by the Italian Information Centre on Academic Mobility and Equivalence (CIMEA).

Your admission will be under reservation until the above-mentioned documents are uploaded.

During enrolment, unibz verifies your foreign qualification and may request additional documents if necessary.

If the access title is deemed eligible, the reservation will be lifted. Otherwise, enrolment will not be possible and you will be excluded.
