**Admission to the PhD in  
Food Engineering and Biotechnology  
PON "Research and Innovation" (MD 1061/2021)  
(37<sup>th</sup> cycle)**

**Academic year 2021/22**

**Bozen-Bolzano, 19/11/2021**

### **CONFIRMATION OF STUDY PLACE**

Applicants admitted in this ranking list must confirm the study place according to the following deadlines:

- starting from 22 November 2021 until 30 November 2021, 12:00 midday (GTM+1:00)

In order to confirm the study place, you have to **access the application portal at <https://aws.unibz.it/exup/> and pay the tuition fees (€ 164.50)** with one of the methods indicated in the portal **within the deadline**.

If you do not respect this deadline, you will automatically lose your study place.

If, by paying the instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant resident abroad and you do not receive the necessary documents from the Italian authorities in your country.

If you have been admitted to more than one PhD programme, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other PhD programmes and lose the right to move up in the other ranking lists.

If you do not have the required academic qualification, you will be given a conditional offer for a study place, and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol, and you will lose your study place.

Please note that you do not gain full student status by only paying the tuition fees. This status will only be acquired upon enrolment.

## ENROLMENT PROCEDURE

**Starting from 22 November 2021 until 30 November 2021, 12:00 midday (CET)** applicants who have confirmed the study place must **enrol online** in the application portal.

If you do not respect the enrolment deadline, you will automatically lose your study place.

If you gained your qualification abroad, you must upload the following documents (if not uploaded upon application) within the deadline for enrolment:

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
  - that you have achieved at least 300 credit points (ECTS) and
  - that the qualification gives access to a PhD programme.
- In case of doubt, unibz reserves the right to request the Statement of comparability.
- the Statement of comparability or the Declaration of equivalent value of your qualification, in case the Diploma supplement is missing.
- If the qualification was obtained abroad and officially recognised in Italy, please upload a copy of the recognition decree.

If you are requested to hand in further documents to verify your qualification, you are provisionally admitted.

**If you have gained your qualification abroad:** if you have not uploaded your diploma, you are provisionally admitted until your qualification can be verified.

At the beginning of the academic year, if requested by the Student Secretariat, you also have to submit the originals of the above-mentioned documents.

Please note: If you have been admitted in the ranking list, but you do not possess a valid entrance qualification, you could be excluded with Rector's decree even after enrolment.

### **If you are a non-EU citizen resident abroad:**

According to Italian law, within 8 working days of your arrival in Italy, you must apply for the **residence permit**: as soon as you arrive, get in touch with the PhD Office and you will be given the necessary information for starting the procedure.

Once you obtain your residence permit (permesso di soggiorno), you have to hand it in at the Student Secretariat in person or via e-mail.
