CONFIRMATION OF STUDY PLACE

The following applicants till the number **6** (included) are admitted and must confirm the study place according to the following deadlines:

- **applicants with grant:** starting from August, 18th 2020 until August, 28th 2020;
- **applicants without grant:** starting from August, 31st 2020 until September, 11th 2020.

In order to confirm the study place they have to:

Access the application portal <https://aws.unibz.it/exup/> and pay the tuition fees (164.50 EUR - one hundred and sixty-three and fifty) with one of the methods indicated in the portal within the deadline.

If you do not respect this deadline, you will automatically lose your study place.

If, by paying the instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant resident abroad and you do not receive the necessary documents from the Italian authorities in your country.

If you have been admitted to more than one PhD course, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other PhD courses and lose the right to move up in the other ranking lists.

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol and you will lose your study place.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment.

ENROLMENT PROCEDURE

Starting from August, 31st 2020 until November, 6th 2020, 12:00 midday (GTM+1:00) applicants who have confirmed the study place must **enrol online** in the application portal.

If you do not respect the enrolment deadline, you will automatically lose your study place.

If you gained your qualification abroad you must upload the following documents (if not uploaded upon application) within the deadline for enrolment:

- diploma of your qualification
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
 - that the student has achieved at least 300 credit points (ECTS) and
 - that the study title gives access to a PhD Programme.In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).
- the declaration of equivalent value of the applicants qualification, in the case the Diploma supplement is missing;
If the university degree was obtained abroad and recognized in Italy, please upload a copy of the recognition decree.

Applicants, who are requested to hand in further documents to verify the admission study title, are provisionally admitted.

Attention: applicants with qualifications gained abroad who have not uploaded their diploma are provisionally admitted until their study title can be verified.

At the beginning of the academic year you have to submit the originals of the above mentioned documents to the Student Secretariat.

Please note: If you have been admitted in the ranking list, but you do not possess a valid entrance qualification, you could be excluded with Rector's decree even after enrolment.

If you are a non-EU citizen resident abroad:

According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the **permit to stay**: as soon as you arrive you should go to the Advisory Service and you will be given all the information so that you can start this procedure.

Once you will obtain your permit of stay for Italy (permesso di soggiorno), you have to deliver it to the Student Secretariat personally or via e-mail.
