

# How to use “Professor Dashboard” in

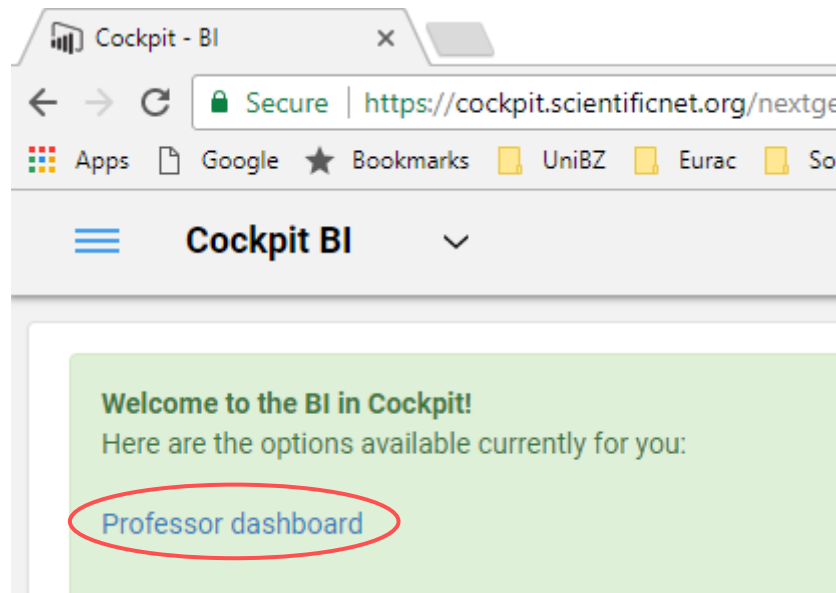

## Quick guide

1. Open a **browser** (Chrome, Edge, Firefox, etc.)
2. Go to <https://my.scientificnet.org/home/#/>
3. Login with **unibz account** (ex.: mrossi@unibz.it)

4. Click on "**Professor dashboard**" (or "Dashboard professori" or "Professoren-Dashboard")

5. Choose one or more courses from "**Course**" list (**only** the ones you teach are available)
6. Set some **filters** based on your **desires**, like Presence, A.Y., Question Group, Evaluation Type. Default settings are:
- a. "50% and more" for Presence
  - b. "Current year" for Academic year
  - c. "Lectureship" for Question group
7. Navigate to **other tabs and repeat steps 5. and 6.** There you will see the data based on your **role**:
- a. Professor
  - b. Degree Responsible
  - c. Dean

**Note:**

- **Average mark:** average grade of the students in the exam (grade 18-30 and 31 for *cum laude*)
- **Professor's score:** is the average score of the professor in the student evaluation. It is based upon the weighting of the 4 answers (see "**Course Evaluation explained**")

8. Enjoy!
