

Univ.-Prof. Dr. Ulrike Tappeiner

Affiliation

University of Innsbruck, Department of Ecology
Eurac Research, Institute for Alpine Environment

ORCID ID: <https://orcid.org/0000-0002-0195-7459>

Personal details

Date of Birth: 17.01.1959
Citizenship: Italian

Education

1996 Habilitation on ecosystem ecology in semi natural and differently managed mountain ecosystems (*venia legendi* for "Ecology"), University of Innsbruck, Austria)
1977 – 1985 PhD in biology and informatics (*summa cum laude*); doctoral thesis on ecological effects of downhill ski areas in a mountain environment in Austria

Career

2018 – to date President of the Free University of Bolzano/Bozen (Italy)
2014 –to date Funder and co-coordinator of the South Tyrolean Mountain Long Term Socio-Ecological Research Site "Matsch/Mazia" (LTER-Italy), Italy
2012 – 2018 Dean of the Faculty of Biology at University of Innsbruck, Austria
2010 – to date Co-ordinator of the Long Term Socio-Ecological Research Platform "Tyrolean Alps" (LTER-Austria) and member of the LTER-Austria executive committee, Austria
2006 – to date Speaker of the research center 'Ecology of the Alpine Regions' at the University of Innsbruck, Austria
2006 – 2012 Director, Institute of Ecology at University of Innsbruck, Austria
2005 – to date Full Professor of Ecosystem and Landscape Ecology, Institute of Ecology, University of Innsbruck, Austria
1996 – 2005 Associate Professor (with Tenure), Institute of Botany, University of Innsbruck
1995 – to date Head, Institute for Alpine Environment, EURAC research, Bolzano/Bozen, Italy
1985 – 1996 Assistant Professor, Institute of Botany, University of Innsbruck, Austria

Fields of scholarship

Ecosystem and landscape ecology of mountain environments on various temporal and spatial scales with a focus on global change (climate, land use and biodiversity), as well as inter- and transdisciplinary research on social-ecological systems, ecosystem services and sustainability monitoring.

Teaching and supervision

Since 1985 I gave lectures, seminars and laboratories in the Bachelor, Master and PhD Programs of Ecology, Biodiversity and Environmental Management of Mountain Areas in Innsbruck (A) and as guest lecturer in Tbilisi (USSR,), Evora (P), Bayreuth (D).

Supervision of more than 20 doctoral candidates, 50 Master and Diploma students and 9 postdocs

Selected honors, awards, offers and services

2016 – to date	Member of the Scientific Committee „Deliberate release of genetically modified organisms – GMO’s” of the Austrian Federal Ministry of Health
2015 – 2017	Scientific expert for the definition of a new Spatial Planning and Landscape Conservation law for the Autonomous Province of Bolzano/Bozen South Tyrol
2014	Cross of merit by the Province of Tyrol awarded for her research on mountain regions
2014	Environment Prize EUREGIO Tirol-Südtirol/Alto Adige-Trentino: for the project “Viel-Falter”– category “projects and ideas”
2013	UNESCO Decade Project Award for the project “Viel-Falter”
2012 – 2018	Member of the National Committee ‘Global Change’ of the Austrian Academy of Sciences
2011 – 2016	Member of the Scientific Advisory Board TERENO - Terrestrial Environmental Observatories
2011 – 2016	Member of the Executive Committee of the Ecological Society of Germany, Austria and Switzerland (GfÖ)
2010	Calouste Gulbenkian International Prize awarded with reference to the category of „humanity’s relationship with nature and respect for biodiversity“ shared with all collaborators of the Institute for Alpine Environment (EURAC research) and the North-American Society of Environmental Journalists
2010	Environment Prize EUREGIO Tirol-Südtirol/Alto Adige-Trentino: for the project “Meadows championship 2010”– category “projects and ideas” shared with all collaborators of the Institute for Alpine Environment (EURAC research)
2005	Offer to become Full Professor (W3) of Ecosystem Research at the University of Münster, Germany (declined)
1995 – 1999	Vice-president of the Environmental Impact Assessment (EIA) commission of the Autonomous Province of Bolzano/Bozen-South Tyrol
1995 – 1997	Scientific co-ordination of the regional implementation of Council Directive 92/43/EEC on the conservation of natural habitats and of wild fauna and flora in the Autonomous Province of Bolzano/Bozen South Tyrol (I)
1985	Award of distinction for scientific work (Regional Government of Salzburg)

Memberships

2010 – to date	Member of the Ecosystem Service Partnership, ESP
2009 – to date	Member of the German chapter of the International Association for Landscape Ecology, IALE-D
2009 – to date	Member of the Italian Ecological Society, S.It.E.
1982 – to date	Member of the Ecological Society of Germany, Austria and Switzerland, GfÖ

Funding

EU	1'625'688 €
FWF	585'776 €
Governmental Funding	3'275'270 €
Private Funding	479'805 €
Total	5'966'540 €

Publications

Editor of 16 books / conference proceedings, Guest editor for a special issue of a journal
Number of peer reviewed publications > 150
