

BEYOND BOUNDARIES

**Rethinking Education,
Society, and Thought**

**2nd Conference for
PhD Students and Young
Researchers in Education
and Social Sciences**

**1–3 July 2026
Campus Brixen-Bressanone**

What

The conference aims to provide an open and interdisciplinary space for PhD candidates and early-career researchers to reflect on disciplinary, social, and conceptual boundaries, fostering critical discussion and new perspectives across education and the social sciences.
